## Dinex NOx Sensors

Now available at  
**FORT GARRY INDUSTRIES!**  
All Makes & Models!

**\$369<sup>95</sup>** EA for all makes and models

### Dinex NOx sensors are:

- Smarter: Fit-&-Forget with future-proof & re-flashable software.
- Faster: Third-party tests confirm OE-level accuracy & reactivity.
- Stronger: Improved dust, debris & water protection.

Dinex Gen2 NOx sensors are not like any other aftermarket NOx sensors out there. Dinex offers upgraded components, higher durability, and higher accuracy - which reduces your trouble and operating costs, smart software protected against ghost codes and improved compatibility after ECU updates.
